# Reduce Clot Risk Protect Your Patients

150 Years  
Science For A  
Better Life

**After Hip Replacement Surgery:  
One 10 mg Xarelto® Tablet Once-Daily  
Provides 24 Hour Clot Prevention<sup>2</sup>**

- ◆ Superior protection against DVT and PE, with similar safety compared to enoxaparin<sup>3</sup>
- ◆ The only FDA-approved novel oral anticoagulant for VTE prevention in orthopaedic surgery<sup>4</sup>

**First in ORAL, Direct Factor Xa Inhibition**

 **Xarelto®**  
rivaroxaban  
Simple Protection for More Patients

**OVER 4 YEARS OF CLINICAL USE ...  
OVER 3 MILLION PATIENTS TREATED<sup>1</sup>**

**Xarelto 10 mg film-coated tablets** (Refer to full SmPC before prescribing.)

**Composition:** Active ingredient: 10 mg rivaroxaban. Excipients: Microcrystalline cellulose, croscarmellose sodium, lactose monohydrate, hypromellose, sodium laurilsulfate, magnesium stearate, macrogol 3350, titanium dioxide (E171), iron oxide red (E172). **Indication:** Prevention of venous thromboembolism (VTE) in adult patients undergoing elective hip or knee replacement surgery. **Contraindications:** Hypersensitivity to the active substance or to any of the excipients; clinically significant active bleeding; hepatic disease associated with coagulopathy and clinically relevant bleeding risk including cirrhotic patients with Child Pugh B and C; pregnancy and breast feeding. **Warnings and Precautions:** Not recommended: in patients receiving concomitant systemic treatment with strong concurrent CYP3A4- and P-gp-inhibitors, i.e. azole-antimycotics or HIV protease inhibitors; in patients with severe renal impairment (creatinine clearance <15 ml/min); due to lack of data: in patients below 18 years of age, in patients undergoing hip fracture surgery, in patients concomitantly treated with dronedarone. Use with caution: in patients with severe renal impairment (creatinine clearance 15 - 29 ml/min) or with renal impairment concomitantly receiving other medicinal products which increase rivaroxaban plasma concentrations; in patients treated concomitantly with medicinal products affecting haemostasis or with strong CYP3A4 inducers; in patients with increased bleeding risk; when neuraxial anaesthesia or spinal/epidural puncture is employed. In patients at risk of ulcerative gastrointestinal disease prophylactic treatment may be considered. There is no need for monitoring of coagulation parameters during treatment with rivaroxaban in clinical routine, if clinically indicated rivaroxaban levels can be measured by calibrated quantitative anti-Factor Xa tests. Xarelto contains lactose. **Undesirable effects:** Common: anaemia, dizziness, headache, syncope, eye

haemorrhage, tachycardia, hypotension, haematoma, epistaxis, gastrointestinal tract haemorrhage, gastrointestinal and abdominal pains, dyspepsia, nausea, constipation, diarrhoea, vomiting, pruritus, rash, ecchymosis, pain in extremity, urogenital tract haemorrhage, fever, peripheral oedema, decreased general strength and energy, increase in transaminases, post-procedural haemorrhage, contusion, wound secretion. **Uncommon:** thrombocytopenia, allergic reaction, dermatitis allergic, cerebral and intracranial haemorrhage, haemoptysis, dry mouth, hepatic function abnormal, urticaria, cutaneous and subcutaneous haemorrhage, haemarthrosis, renal impairment, feeling unwell, localised oedema. increases in: bilirubin, blood alkaline phosphatase, LDH, lipase, amylase, GGT. **Rare:** jaundice, muscle haemorrhage, bilirubin conjugated increased. **Frequency not known:** pseudoaneurysm following percutaneous intervention, compartment syndrome or (acute) renal failure secondary to a bleeding. **Classification for supply:** Medicinal product subject to medical prescription. **Marketing Authorisation Holder:** Bayer Pharma AG, D-13342 Berlin, Germany **Further information available from:** medinfo@bayerhealthcare.com **Version:** EU/5

## Welcome from EFORT & BOA

Dr. Manuel Cassiano Neves  
President EFORT 2013/14

Mr. Timothy Briggs  
President BOA 2013/14

Mr. Steven Cannon  
Chair Local Organising Committee

Dear Participants,

The Executive Committee of EFORT, the British Orthopaedic Association and the Local Organising Committee would like to invite you to attend the 15th EFORT Congress in London in June 2014. We are delighted to announce that for the second occasion in the maturation of EFORT this will be a combined meeting with a National Society, in this instance the British Orthopaedic Association. This prestigious Association founded in 1918 is one of the oldest in the world and has a strong history in education and research in the field of trauma and musculo-skeletal surgery. The EFORT education committee chaired by Enric Cáceres Palou with on-going support from the Speciality Societies have created an exceptional programme covering differing topics from basic research to areas within daily practice of orthopaedics and trauma. Unique to this meeting will be the incorporation of the BOA's own cyclical education programme which will also be open to participants. The theme of the meeting as a whole is patient safety which becomes the motto for London 2014.

The format of the meeting will again hopefully encourage interaction between participants both with Symposia and Instructional Lectures being delivered by distinguished speakers from all over Europe. Other sessions will include Interactive Expert Exchanges, Complex Case Discussions and Debate Fora together with the newly introduced and successful sessions founded on Evidence Based Medicine. We are also delighted that we will be joined at this Congress by a delegation from the American Academy of Orthopaedic Surgeons who will be able to add further to the scientific contribution.

Increasing involvement of the various Speciality Societies has allowed their inclusion into the Congress as a whole. During the three day Congress the Speciality Societies will organise their own sessions which will allow the congress participants, if they choose to attend, regionally focused sessions of a high scientific nature. The trainee may also be attracted to the on-going Comprehensive Review Course which will give a basic oversight to the orthopaedic syllabus.

As usual there will be the Michael Freeman and Erwin Morscher Honorary Lectures which will be delivered by two highly distinguished orthopaedic surgeons. The Plenary Lectures of the BOA will also be included in the programme and will be open to all participants.

It is hoped that the support of Industry will be more prominent than in previous years and Industry Symposia Workshops and technical exhibits will form an important segment of the congress as a whole. London is perhaps regarded as one of the most exciting cities in the world. It is a multi-ethnic vibrant centre which will excite every visitor. We hope that you will consider not only your attendance but also your participation in providing and submitting abstracts, the presentation of which will still form a large proportion of the overall meeting. It is a wonderful opportunity for both consultant and trainee alike.

We all look forward to seeing you join us for the 15th EFORT Congress.

**Invited Nation Programme:** The EFORT Invited Nation Programme aims at raising awareness and recognition towards the contribution made to the management of musculo-skeletal diseases worldwide and to strengthen ties with colleagues around the globe. In 2014 EFORT is delighted to honour the American Academy of Orthopaedic Surgeons (AAOS) as "Invited Nation".

### Message on behalf of the AAOS Board:

The American Academy of Orthopaedic Surgeons (AAOS) is honored to be recognized as Invited Nation during the 2014 EFORT Congress. With 36,000 US and international members, AAOS is one of the world's largest orthopaedic associations whose mission is to champion the interests of all patients, serve its members and the profession, and advance the highest quality of musculoskeletal health. Our membership base reaches all corners of the globe. We are proud to partner with EFORT on the occasion of its 15th Annual Congress, and congratulate EFORT on the growth and expansion of its own membership and deep commitment to quality education and improved patient care. It will be our distinct pleasure to work side by side with our European colleagues during this important educational event. The AAOS Board of Directors and entire membership thanks you for this opportunity.

## ONLINE SUBMISSION PROCEDURE

After logging on to the EFORT portal, be sure to follow the onscreen instructions precisely as they lead you through the submission process. **There is no restriction on the number of abstracts you may submit, although a total of three oral presentations and five posters only will be accepted per registered participant.**

Please be aware that some information is mandatory, however, and you will not be able to proceed further if you do not complete the fields. Please also note that you may modify your abstract(s) until the submission deadline date only. Consider your submission category carefully. If there is a discrepancy between your topic and its category, EFORT reserves the right to change the category or reject your abstract.

For more details, please visit: [www.efort.org/london2014/abstract](http://www.efort.org/london2014/abstract)

## INFORMATION ON ABSTRACT ACCEPTANCE

You will be notified by e-mail about the acceptance of your abstract(s) by 20 December 2013 at the latest. The presenting author of a selected abstract must undertake to attend the Congress and present the abstract in the session and at the time designated by the Scientific Committee. **EFORT therefore requires all authors to register by 31 January 2014 at the latest.** Only registrations for the full Congress are accepted (no day registrations).

## TECHNICAL SUPPORT

Technical support will be provided for authors of abstracts. Please send all requests concerning electronic submissions for the 15th EFORT Congress by e-mail to: [support@centraloffice-europe.com](mailto:support@centraloffice-europe.com).

## ORAL PRESENTATIONS (Free Paper Sessions)

Only computer projection will be available for presentations in the meeting rooms. To ensure that sessions run smoothly, please refer to the Presentation Guidelines available online on the abstract page. The best-rated Free Papers may be put forward for the EFORT Free Paper Award. From the presentations that are received, the three best will be selected for the award. The authors of the selected papers will be informed prior to the Congress, and certificates will be presented during the official opening ceremony.

## POSTER PRESENTATIONS

The poster presentations will be in wall poster format. A large display area will be dedicated to poster presentations. Out of the best-rated poster abstracts submitted for the Congress, the ten best will be awarded the Jacques Duparc Award. Authors will be informed prior to the Congress, and certificates will be presented during the official opening ceremony.

## Preliminary scientific programme

The scientific programme will consist of:

- A full-day Comprehensive Review Course (CRC)
- Complex Case Discussions
- Debate Fora
- Wall Poster Sessions
- Evidence-Based Medicine Sessions
- Free Paper Sessions
- Honorary Lectures
- Industry Symposia
- Interactive Expert Exchange (IEE) Sessions
- Instructional Lectures
- Symposia

### HIGHLIGHTS

#### Main Theme: Patient Safety

#### General orthopaedics

- Reconstruction on upper limb
- Salvage procedures for hip and knee replacement
- What is evidence based orthopaedics?
- How to diagnose deep infection?
- Sarcopenia and osteoporosis
- Pain control in Paediatric Orthopaedics
- ACL revision
- The championship of materials

#### Upper Limb

- Finger fractures
- The complicated reverse shoulder

#### Spine

- Spine Surgeon: European Diploma

#### Lower Limb

- Ankle fusion or arthroplasty?
- Conservative approaches
- Knee osteoarthritis

#### Trauma

- The periprosthetic fracture
- Treatment of bone defect
- Polytrauma in the elderly

#### Spine

- New approaches in managing children's pain

### THE COMPREHENSIVE REVIEW COURSE (CRC) – 5 June 2014

**Primary target attendees:** Young orthopaedic surgeons, residents in training, participants preparing for the European Board of Orthopaedics and Traumatology (EBOT) Exam

**Pre-registration is mandatory**

**Max. capacity:** 150 participants

**Fee:** EUR 135 early registration fee (EUR 145 late registration fee, EUR 195 on-site registration)

This course aims to teach the knowledge that is needed for every specialist, and to broaden the participant's orthopaedic horizons. It features up-to-date presentations in five major areas:

- Lower extremity
- Upper extremity
- Spine
- Paediatrics
- Basic science

Attending this comprehensive full-day review course will provide the necessary knowledge base to prepare for the European Board examination (EBOT). Registration for this course is separate from the overall Congress registration.

More information at: [www.efort.org/London2014/CRC](http://www.efort.org/London2014/CRC)

**Combination CRC and 2 congress days:** EUR 300 early registration fee (EUR 365 late registration fee, EUR 450 on-site registration)

### INTERACTIVE EXPERT EXCHANGE (IEE)

**Primary target attendees:** Confirmed specialists and senior consultants

**Pre-registration is mandatory**

**Max. capacity:** 100 participants per session

**Fee:** EUR 55 early registration fee (EUR 59 late registration fee, EUR 61 on-site registration)

Please note that IEE sessions may be attended only if the participant is registered for the Congress

#### Session structure

The IEE is 3.5 hours long and will be divided into two sessions, including a break of 30 minutes.

Each session may include:

- 1. Introduction** The moderator introduces the topics & the audience answers 10 open questions during an initial voting session (5 min, with electronic system). The speakers present evidence linked to the questions that have been addressed previously (5 x 5 min) as a theoretical symposium.
- 2. Discussion** Break-out in groups (5 x 20 participants), in which the speakers present the cases and ask „what would you do?“ to stimulate audience input.
- 3. Summary** Each speaker presents their conclusions as a prelude to a second voting session. The concluding remarks between the moderator and the speakers are based on the voting results.

The programme for each session is produced in cooperation with the appropriate European Speciality Society. There will be one or two IEE session(s) each day:

- The options for the young arthritic knee (5 June, 15.00 – 18.30)
- Elbow fracture in the elderly. What is different? (6 June, 15.00 – 18.30)
- Treatment of bone defects - from bone cement to bone substitutes, growth factors and stem cells (6 June, 9.00 – 12.00)
- Osteochondral lesion of the ankle (4 June, 9.00 – 12.00)
- Femoral head size: How to decide? (5 June, 9.00 – 12.00)

## Preliminary scientific programme

### ADVANCES IN TOTAL KNEE AND TOTAL HIP REPLACEMENT – 6 June 2014

**Primary target attendees:** Confirmed specialists or senior consultants within the area of total hip or knee replacement

**Pre-registration is mandatory**

**Max. capacity:** 150 participants per session

**Fee:** EUR 75 early registration fee (EUR 80 late registration fee, EUR 85 on-site registration)

Please note that this sessions may be attended only if the participant is registered for the Congress

#### Session structure

After a very successful debut of this full-day session on „Advances in Total Hip and Total Knee Replacement“ in Istanbul, it will be held again in London. The session will feature the latest approaches to reconstruction of the hip and knee in adults. A panel of recognised European experts with a great breadth and depth of experience in total hip and knee replacement has been appointed. The members of the panel will pass on their knowledge of a total of 24 key issues in day-to-day practice in both primary and revision surgery. The aim of the course is to provide younger joint replacement specialists and more experienced senior consultants alike with an update on the latest in techniques and treatments.

### NURSE DAY – 4 June 2014

This comprehensive day course addresses European Orthopaedic and Trauma Nurses and other allied health care providers. Active involvement of the attendees will maximise the benefits of this unique encounter between experienced faculty members, industry representatives and participants.

Full congress registrations as well as Nurse-Day-only registrations will be available online. A limited number of nurse scholarships will be available to support full congress nurse registrations. For more information, visit the congress website.

Topics to be covered in the course are:

- Selection of fixation type
- Selection of bearings
- Benefits and drawbacks of different approaches

to the joint

- Treatment of deformities when inserting implants
- Diagnostics and treatment of deep infections
- Treatment of periprosthetic fractures
- Removal of well-fixed implants
- Presentation of complicated primary and revision cases

### REGISTRATION

For fees and more information, please consult the website  
[www.efort.org/london2014](http://www.efort.org/london2014)

- Badges** All delegates and guests will receive a name badge at the registration desk. The badge will be the official meeting document and should be worn at all times in order to gain entry into the meeting rooms and exhibition halls. With a delegate's badge, participation will be granted into the scientific programme. Admission to the congress will not be allowed without badge identification. Vouchers for courses and workshops that have been booked will be handed out with the registration material.
- Bank services** Banks are open from 09:30 am to 03:30 pm, Monday to Friday  
All banks are closed at weekends and on public holidays.
- There are plenty of currency exchange offices, banks and cash machines (also known as cashpoints or ATMs) at which to change your money into Pound Sterling (GBP).  
Most cash machines accept international cards with the Visa, Mastercard, Cirrus or Maestro symbols. If you have a non-UK account you will almost certainly have to pay a charge when you withdraw cash. Contact your bank before travelling to find out details.
- EUR 1 = GBP 0,8645 (11 Juli 2013) / USD 1 = GBP 0,6645 (11 Juli 2013)
- Certificate of European CME credits** The certificate of European CME credits will be available online after the congress for registered participants.
- Climate** London has a temperate oceanic climate, summers are generally warm and sometimes hot, the heat being boosted by the urban heat island effect making the centre of London at times 5°C (9°F) warmer than the suburbs and outskirts. The average temperature in June is around 20°C.
- Cloakroom and storage** A cloakroom and luggage deposit located at the main entrance will be available during the official Congress time schedule. The Congress centre and the organisers are not responsible for any items lost or left behind.
- Congress language** English is the official language of the congress. Please note that no simultaneous translation will be provided.
- Currency** The currency in Great Britain is the Pound Sterling (£/GBP). Despite being a member of the European Union, the UK has not adopted the Euro.
- Disabled person** The Congress centre is easily accessible to disabled persons. Kindly address any request for special assistance to the Congress secretariat: [EFORTinfo@mci-group.com](mailto:EFORTinfo@mci-group.com).
- Electricity** The normal electric current in Great Britain is 230 Volt/50 Hz, (EU-standard) but there are other plugs in the UK to fit into the three pin plug. You can buy an adapter for it in any common electrical shop or department store.
- First aid** A first aid room is available at the congress centre. Please ask any staff member for help in case of need. Or call 999 for emergency services UK (police, fire and ambulance) or 112 for the international emergency number.
- Food and refreshments** Lunch and refreshments are not included in the registration fee. You can buy lunch and refreshments in several catering areas within the congress centre.
- Industry exhibition** The industry exhibition is open to pharmaceutical companies, manufacturers of medical and surgical equipment, software equipment and scientific publishers. The industry exhibition is located at the Congress centre and will be open from 04 June to 06 June 2014 according to the session timetable. Interested companies are advised to contact the PCO at [EFORTexhibition@mci-group.com](mailto:EFORTexhibition@mci-group.com).

Website of the British Government: [www.london.gov.uk/contact-us-home](http://www.london.gov.uk/contact-us-home)

Website „Visit Britain“: [www.visitbritain.com/en/EN/](http://www.visitbritain.com/en/EN/)

**London** is the largest urban area within the United Kingdom and the capital of England. Built on centuries of trade, talent and ideas, London has developed into a cosmopolitan, culturally open and cutting-edge city. More than fifty major international communities have made London their home and as a result, it has become a gastronomic delight for different cultures.

There are more than 300 different languages spoken in the capital and this remarkable diversity allows London to be an ideal destination for international business. The city is sure to suit every event and every delegate.

The perfect blend of the past and the present; London is a city with so many places to see that it would be hard to find the time to view them all in one visit. Samuel Johnson, the famous British author was right when he said that "when someone is tired of London he is tired of life".

With green spaces spanning 30% of the city, more than 100,000 hotel rooms, a feast of remarkable restaurants and a genuinely warm welcome for all, London is the perfect location for an event.

### The monarchy

Today, the Queen is not only Head of State but also an important symbol of national unity. The Queen's title in Britain is, Elizabeth the Second, by the Grace of God of the United Kingdom of Great Britain and Northern Ireland and of Her other Realms and Territories Queen, Head of the Commonwealth, Defender of the Faith'. In the Channel Islands and the Isle of Man, the Queen is represented by a Lieutenant-Governor.

### Transport in London

#### TRANSPORT TO THE CONGRESS CENTER

The London public transport system is efficient and the combination of tube (underground) buses, DLR (Docklands Light Railway), trams, overground and national rail reaches every part of the sprawling city and its surroundings. The tube is the best way of getting around, buses cover the parts of the city that cannot be reached by tube. Your advantage: With a ticket you can use all the means of transport offered by various transport companies in London.

Beckton-bound DLR train brings you to the congress venue. Stop at Custom House for ExCeL (West) or Prince Regent for ExCeL (East) and ICC London.

#### TICKETS

When travelling to ExCeL London please ensure your underground ticket is valid in Zone 3.

It is recommended to buy a return ticket or All-Day Travelcard.

#### TRAVEL TIPS

##### DLR

When travelling from Bank change at Westferry for a Beckton bound train. Alight at Custom House for ExCeL for the West Entrance or Prince Regent for ExCeL East and ICC London. When travelling from Lewisham board a Stratford train and change at Poplar for a Beckton bound train. Tower Gateway trains go direct to both Custom House for ExCeL (West) and Prince Regent for ExCeL (East) and ICC London.

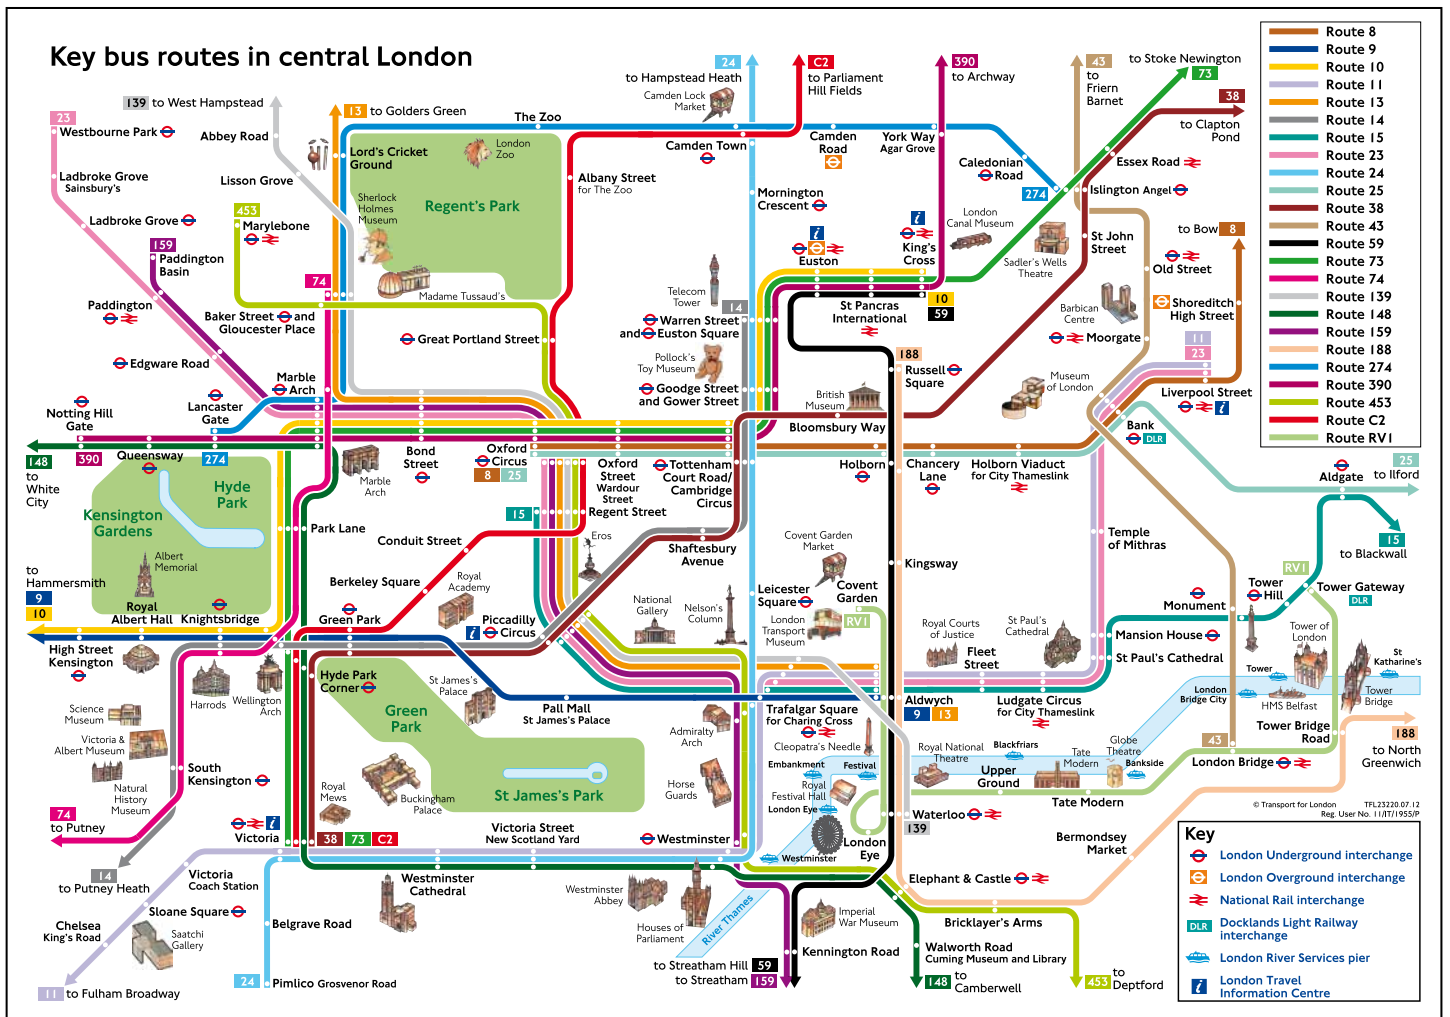

##### Changing at Canning Town

If travelling on the Jubilee Line, change at Canning Town for DLR connections to ExCeL London. Proceed up the stairs to platform 3 and change for a Beckton bound DLR train.

##### London City Airport

Frequent shuttle buses run from Canary Wharf and Canning Town direct to and from the airport. The DLR also links the airport and ExCeL London via Canning Town.
