21st EFORT Congress 2020 Vienna, Austria - Wednesday 10 June

Room	Vienna	Lisbon	Munich	Barcelona	Berlin	Copenhagen	Brussels	Madrid	Helsinki	Florence	Nice	Geneva	London
08:30 09:00 09:30			Patellar Instability Is Not Only MPFL (Symposium)	Clinical Reports Shoulder & Elbow incl. Trauma	25 Years With Locking Plates In The Lower Limb, Promises Delivered? (EBM Session)	Lessons From Registries And Retrievals (FP Session)	EFAS Session (Spec. Soc. Session)	Do We Need New Approaches And New Implants In Total Hip Arthroplasty? (Symposium)	Clinical Reports Musculoskeletal Infections	Harmonising The Management Of Mass Injuries In Children (Symposium)	Clinical Reports Hip & Femur Trauma	Computer Assisted Orthopaedic Surgery (Symposium)	Hip Preservation 1 (FP Session)
10:00													
10:30 11:00			ACL: Factors For Successful Outcomes	Arthroscopic Latarjet Procedure: Where Do We Stand?	ESPA Session Pelvic Fractures: Challenging Issues	Diagnostic Methods For Implant-Related Infection (IL) Artificial Intelligence Deep	MIS And Percutaneous Forefoot Surgery:	Global Diversity In Bearing In Primary THA	Clinical Problems In Bone & Joint Infections	Edipediology & Complications In Lower Limb Paediatric	ESTES Session Surgery In High Energy Extremity Injuries	Extracorporeal Shockwave Therapy: An Update Frontiers In Non-Union	Hip Preservation 2 (FP Session)
			(FP Session)	(EBM Session)	and Solutions	Learning In Patient Care (IL)	Pitfalls (DF)	(EBM Session)	(FP Session)	Trauma (FP Session)	(Spec. Soc. Session)	Research	
11:30 12:00 12:30			EFORT OPENING SESSION										
13:00		Comprehensive Review Course											
13:30 14:00 14:30			LUNCH BREAK										
15:00 E	FORT Implant And Patient Safety Initiatives 1 (Symposium)		ESSKA Session	Shoulder General Topics (FP Session)	Knee Trauma: Distal Femur, Patella And Tibial Plateau (FP Session)	Barriers To Implement Strong Scientific Evidence: Why Such Diversity? (Symposium)	Diagnosis Of Metatarsalgia (Symposium)	Primary THA 1 (FP Session)	Diagnosis And Treatment Of Prosthetic Joint Infection: What Can Go Wrong? (CCD)	The Expanding World of UNI (FP Session)	Proximal Femoral Fracture Fixation (FP Session)	EORS Session Bionic Surgery: Novel Solution For Amputees	Patients With Spine- Hip Syndrome (Symposium)
16:30			Return To Activity After Knee And										
17:00 17:30 17:30 18:00	FORT Implant And Patient Safety Initiatives 2 (Symposium)		Shoulder Injuries (Spec. Soc. Session) How To D Prim Osteoarth Gler	How To Deal With Primary Osteoarthritis In B2 Glenoid (Symposium)	Clinical Reports Knee & Lower Leg Trauma	How To Prepare & Manage Systematic Reviews And Meta- Analysis In Orthopaedics (Symposium)	Great Toe (FP Session)	Primary THA 2 (FP Session)	EBJIS Session Clinical Interactive Cases Of Daily Infection Problems (Spec. Soc. Session)	Clinical Reports Knee & Lower Leg	Total Hip And Hemiarthroplasty In Neck Fractures (FP Session)	Diversity In Clinical Outcome Assessment (Symposium)	Clinical Reports Pelvis, Hip & Femur
